

PRESS RELEASE

March 11, 2022

TouchPoint, Inc. Acquires Parity Medical Holding Ltd.

Effective today, TouchPoint, Inc., the parent company of TouchPoint Medical, has completed the acquisition of Parity Medical Holdings Ltd. Founded in 1989 and headquartered outside of Liverpool, UK, Parity Medical is a leader in manufacturing customised medical carts, mounting systems, telemedicine solutions and patient entertainment systems.

Parity Medical will join TouchPoint's Healthcare platform, which includes the TouchPoint Medical and iTD businesses. TouchPoint Healthcare focuses on developing customer driven solutions to securely mobilise medical technology and manage medication dispensing in a way that creates safer and more efficient healthcare environments.

Parity Medical's products are designed and manufactured in their Wirral, UK facility. They are a leading supplier of medical products and support services to the UK's National Health System as well as the private healthcare systems in the UK and Ireland. As the market leader, they have earned an outstanding reputation for their product breadth, quality and responsive service. Additional information on Parity Medical can be found on their website at www.paritymedical.com.

"We are excited to add the Parity Medical's technology, expertise and solutions to our TouchPoint Healthcare platform, as this expanded offering further enhances our ability to grow and create value for our customers," said Brian M. McNeill, Chairman, President & CEO of TouchPoint, Inc. "Parity Medical and TouchPoint Healthcare provide one another with highly complementary products, talent, services and channels to market."
