

MedStore Plus

The big one! Our largest-capacity workstation

Features

Carry more medication with the MedStore Plus! With increased storage capacity, wider drawers, and a large work surface, this cart provides an ideal central workstation for ePMA at the point of care. A large number of drawers make this solution great for organising medication and reducing the need to restock, saving you time while working.

- ✓ High-storage capacity workstation for medication dispensing at the point of care.
- ✓ Can be configured to allow for the addition of a range of accessories and drawer configurations.
- ✓ Work surface is durable and resistant to hospital cleaning agents.

Benefits

- Large work surface for preparing drugs and paper documents.
- Slide-out mouse tray for left or right-handed use helps to save space on the work surface.
- Conveniently placed grab handles allow precise and easy movement.
- Castors provide smooth and stable movement even across uneven surfaces, such as thresholds.
- Front two wheels are lockable and ensure the cart remains stationary when in use.
- Designed for infection control and ease of cleaning.
- Drawers and trays can be configured to different depths.
- Secure lockable storage allows for access to medication. Digi, keyed, and RFID lock options are available.
- Magnetic door attaches to the side of the cart when open for increased safety.
- Comprehensive 5-year cart warranty.

Areas of use

The MedStore Plus cart is ideal for providing access to electronic patient records as well as secure access to large amounts of medication in areas such as:

- A&E / ED
- ICU
- Theatres
- Wards

 Lithium-ion battery*

This cart is designed to be used with different computers and devices. Our medical-grade Infinity all-in-one PC is shown on the cart above and features:

- A large, intuitive touchscreen.
- Dual hot-swappable batteries for 24/7 constant power.
- Powerful CPU, ultra-fast SSD and up to 64GB system memory.
- Unique battery management software with remote monitoring.
- Front panel is IP65 rated for protection from water and dust.
- 3-year warranty.
